

## The Carious Legion How-To

1. Make your way to cariouslegion.com and click on “The Carious Legion Log-In”
2. Enter your login info

The screenshot shows a dialog box titled "Connect to AjaXplorer". It contains a label "Enter login/password" with a red pushpin icon. Below this are two input fields: "Login" with the text "demo" and "Password" with a masked password of ten dots. There is an unchecked checkbox labeled "Remember Me". At the bottom right, there are two buttons: a green checkmark icon and a grey 'X' icon.

3. The first time you log in, the “My Files” folder will be up.

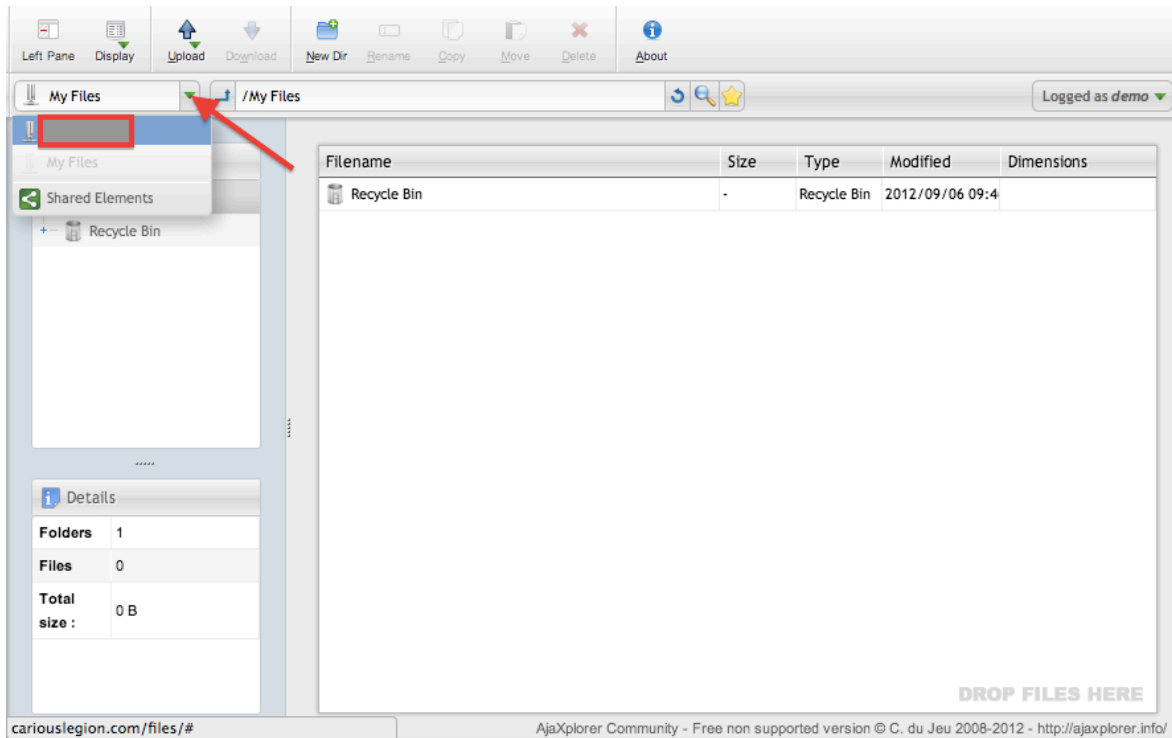

The screenshot displays the AjaXplorer web interface. The top toolbar includes icons for Left Pane, Display, Upload, Download, New Dir, Rename, Copy, Move, Delete, and About. The address bar shows "/My Files" and a "Logged as demo" dropdown. The left sidebar shows a "Folders" view with "My Files" selected and "Recycle Bin" below it. A "Details" panel shows: Folders: 1, Files: 0, Total size: 0 B. The main area is a table with columns: Filename, Size, Type, Modified, Dimensions. The table contains one entry: "Recycle Bin" with size "-", type "Recycle Bin", and modified date "2012/09/06 09:4". A "DROP FILES HERE" message is at the bottom right. The footer text reads: "AjaXplorer Community - Free non supported version © C. du Jeu 2008-2012 - http://ajaxplorer.info/".

Filename	Size	Type	Modified	Dimensions
